ALL THINGS NEW PRAYER

Heavenly Father, you sent your Son Jesus as the first Evangelizer of the Good News.

Send forth the power of the Holy Spirit upon the Church of St. Louis and grant us the gift of true discernment so we may do your will in all things.

Help us be totally free to follow wherever you lead us, totally generous to be good stewards of your many gifts, and totally passionate to suffer all in order to be more closely united to you.

Commissioned by your Son and empowered by the Spirit to “Go and Make Disciples of all Nations,” strengthen us by the power of your grace as we bring the Good News of Salvation into the lives of all those we touch, so that individual hearts and all of society may be converted to you and all things might be made new.

Inspired by the apostolic zeal of previous generations, as we begin the process of planning for the future, may our only desire be to do all things for the greater glory and honor of your name and for the good of your people in the Archdiocese of St. Louis.

Through Christ our Lord.
Amen.

GUIDING TEXTS

REV. 21:3-5

I heard a loud voice from the throne saying, “Behold, God’s dwelling is with the human race. He will dwell with them and they will be his people and God himself will always be with them.

He will wipe every tear from their eyes, and there shall be no more death or mourning, wailing or pain, the old order has passed away.”

The one who sat on the throne said, “Behold, I make all things new.” Then he said, “Write these words down, for they are trustworthy and true.”

GUIDING TEXTS EVANGELII NUNTIANDI (#18)

For the Church, evangelizing means bringing the Good News into all the strata of humanity, and through its influence transforming humanity from within and making it new: "Now I am making the whole of creation new."

But there is no new humanity if there are not first of all new persons renewed by Baptism and by lives lived according to the Gospel.

GUIDING TEXTS JOY OF THE GOSPEL (#27)

I dream of a “missionary option”, that is, a missionary impulse capable of transforming everything, so that the Church’s customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today’s world rather than for her self-preservation.

OUR DIOCESE
ARCHDIOCESE OF ST. LOUIS

ABOUT OUR DIOCESE

- The Archdiocese of St. Louis is 178 parishes encompassing the City of St. Louis and 10 surrounding counties – a large and diverse territory: urban, suburban and rural.
- Our local church has been declining for several decades as older Catholics die and there are insufficient number of young Catholics to take their place.
- This is best exemplified by the significant decline in the number of births and baptisms in our diocese.
- As our Catholic population has moved from the city to the near suburbs and from the near suburbs to the farther out suburbs, this has resulted in too few priests in large parishes and too many priests in small parishes.
- Our diocesan priests are aging and number of priests to serve our Catholic population is declining.
- Over the past decade, Mass attendance has been on a steady decline. The long-term implications of COVID are unknown, but the rebound in Mass attendance from 2020 to 2021 still leaves us 25% below pre-COVID levels.

OUR TERRITORY FOR EVANGELIZATION

OUR CATHOLIC POPULATION CONTINUES TO DECLINE

- In 2021, the number of Catholics in the Archdiocese of St. Louis dipped below 500,000 for first time since the 1960s.
- We have more baptisms than funerals and we have nearly 1,000 enter the church each year. Our numbers should be growing by 2,000 per year.
- As many as 5,000 Catholics are “leaving” the Church – OR – not re-engaging in the Church after high school or college.

OUR CATHOLIC POPULATION IS AGING RESULTING IN FEWER YOUNG PEOPLE

The Landscape in the United States

- In the last decade, the percentage of the adult population claiming no religious affiliation (the “nones”) grew from 17% to 26%.
- In the last decade, the percentage of the millennial population claiming no religious affiliation grew from 27% to 40%.

The Landscape in the Archdiocese of St. Louis

Our baptism and marriage trends reflect the national landscape, as they are half of what they were 20 years ago.

WEEKLY SUNDAY MASS ATTENDANCE CONTINUES TO DECLINE

- Prior to the COVID-19 pandemic, Mass attendance was declining between 0.5% to 1% per year.
- Mass attendance hit a record low in October 2020 which is attributed to the COVID-19 pandemic.
- While Mass attendance in October 2021 showed a significant increase from 2020, it was still 25% lower than Mass attendance in October 2019.
- In 2019, only 33% of our pews were occupied during the typical weekend Mass. By 2021, only 25% of our pews were occupied during the typical weekend Mass.

FEWER BAPTISMS HAVE RESULTED IN FEWER CHILDREN IN CATHOLIC SCHOOLS AND PSR

- Though we educate a higher percentage of children in our Catholic schools than nearly any other diocese (37%), enrollment continues to decline.
- During the last decade, PSR enrollment has declined faster than day school enrollment.
- Our current model of Catholic elementary schools cannot continue.
 - Only 40-50% of our elementary school children live in the boundaries of their parish school.
 - The cost to educate our students continues to outpace tuition increases.
 - Parish investment in our schools continues to absorb an increasing percentage of parish funds available to support other parish ministries.

OUR PRIESTS ARE AGING

- 35% of our diocesan priests (74 priests) serving in parishes are 65 years of age or older.
- These 74 priests could retire in the next 10 years.
- Though priests' retirement age is 75, the average of retirement for our diocesan priests has been 71.
- By 2026, we will have fewer diocesan priests to serve in parishes than the number of parishes we have.
- Our largest parishes will still need to be served by 2-3 priests.

OUR PARISH
HOLY INFANT - BALLWIN

ABOUT OUR PARISH

- Holy Infant parish was established in 1954 in what was then primarily farm land. The parish grew slowly and just as it began to grow faster, a large portion of the parish was ceded to form St. Clare of Assisi parish. It wasn't until the 1970s that the parish began to grow rapidly exceeding 1000 households by the early 1970s and has now grown to be the 4th largest parish in the diocese and the largest outside of St. Charles County.
- The parish school grew to be the largest in diocese in the early 2000s with nearly 1000 students. As with all of West County parishes, the school has since that time declined but got a boost when St. Joseph school in Manchester closed two years ago and the school welcomed most of their students and their families also joined the parish.
- The current parish church was built in 1989 and seats 850.
- The parish has 3000 households and 420 students in the parish school.

ABOUT OUR PARISH

- Parish area has been growing slowly with increases in households, though with no net increase in population.
- Parish has been slowly growing with stable baptisms and declining school and PSR enrollment until St. Joseph closed and Holy Infant picked up many of their students. Mass attendance has been declining during the decade.
- Parish financials are strong with stable offertory and growing reserves, and investment in the parish school has been within the recommended range.

OUR PARISH AREA IS GROWING BUT WITH SMALLER HOUSEHOLD SIZES

- After Growing rapidly in the 1990s, there was some growth in number of households, but smaller household size resulted in no growth in population since 2000.
- Median household income is \$102,300 which is well above the archdiocesan average of \$60,700
- 31% of the resident population is Catholic which is well above the archdiocesan average of 18%.
